MEMORANDUM FOR ASSISTANT SECRETARY OF THE ARMY (IL&FM)  
ASSISTANT SECRETARY OF THE NAVY (FM)  
ASSISTANT SECRETARY OF THE AIR FORCE (FM)  
DIRECTOR, DEFENSE INTELLIGENCE AGENCY  
DIRECTOR, NATIONAL SECURITY AGENCY

SUBJECT: Resource control for Defense Elements of the National  
Foreign Intelligence Program (NFIP)

Reference is made to the Deputy Secretary of Defense multi-addressee memorandum dated July 6, 1978, same subject as above. That memorandum provides procedures to be followed in keeping with the decision in Executive Order 12036 that the Director of Central Intelligence (DCI) has final review and approval authority over the NFIP budget, including Defense elements thereof. These Defense elements are currently defined in Chapter 515.1 of the DOD Budget Guidance Manual.

In accordance with the above, any changes to be made to the Defense elements of the NFIP as submitted with the fiscal year 1981 budget estimates will be promulgated by Decision Package Sets (DPSs) numbers 330 through 335. Other adjustments that may be promulgated by omnibus DPSs or reflected in DPSs outside the 330 - 335 series as undistributed adjustments are not to be taken against the Defense elements of the NFIP.

Your continued cooperation in this matter is appreciated.
